

ACCREDITATION VISIT (Nov. 5 & 6)

The GRACE system has applied to be the **first WRISA accredited system**, which means all 9 of our schools are being accredited at the same time. We are frontiers in this journey.

A team of 5 members will be at each campus visiting classrooms, verifying our self-study and interviewing staff, parents and students.

We will supply the team with parent contact information. They will randomly choose several to contact about your experiences at Father Allouez. We appreciate your time and honesty in answering their questions.

The purpose of this accreditation is to help us celebrate our successes and grow and improve our school community.

WREATH SALE

Our Athletic Booster Club is selling Christmas wreaths to raise funds to support our school sports programs. This is an easy way to help out and decorate for the holidays.
