### Winter MAP Testing (January 14-25)

We have the opportunity to monitor our students' academic progress 3 times throughout the school year: Fall, Winter and Spring.

ALL students are tested during Fall and Spring. Our Winter testing time is used to focus on students who are receiving extra support or to check on the progress of a group of students in a particular subject area.

We will inform parents of the dates if your child will be tested.

## CATHOLIC SCHOOLS WEEK 2019

**January 27-February 2**
